

A Parody Of Clinton - Joe Sixpack, President - Darrell Bain

From best selling author Darrell Bain, this satirical look at Bill Clinton may politically offend but it's hilariously funny at the same time... This book is a good example of what comes from mixing politics and beer. It resulted from a night of camaraderie and debauchery with my brothers. Sometime during the festivities, one of us thought up the idea of what might happen should a real, though intelligent, Redneck ever get to the White House. We all laughed like crazy at the prospect and had great fun discussing various scenarios and situations. Perhaps we also vented some of our frustration at the labyrinthine entanglements of our present political process and how it works or doesn't work. At any rate, once I sobered up, I thought the idea might make a good book.
