tell you that this eBook only works (to my knowledge) on PC's. If your computer is running Microsoft Windows, you won't have any trouble at all viewing this eBook successfully. However, if you're on a Mac you'll more than likely have trouble viewing it. A Great Product + Resale Rights = BIG Profits For YOU I'm sure you know there's a ton of eBook resale rights around these days. BUT - if you really want to make money selling an eBook you have rights to, you need: A very high quality product. An effective sales letter. A professionally designed website with great looking graphics. Now - this eBook is brand new. Get a copy now, start promoting it immediately and you'll make the most profits. Wait a day or a week or a month, and literally more and more profits will pass you by. Now, I'm certainly not saying this to brag, but I wrote this sales copy, and my copy has sold hundreds of thousands of dollars worth of products online, if not millions of dollars worth. AND - from very affordable eBooks like this one. Don't believe me? Then search Google for "Louis Allport" and see what you find. Now, the Google index does fluctuate for many reasons. But right now (as I'm writing this), I see several thousand websites selling my products. Even if each one of those sites is selling just one copy of a \$20 eBook a week that I wrote the copy for, that adds up real quick. My copy and products have made many people a LOT of money over the past two years. They can make YOU money too - all you need to do to get started is grab a copy of this product. And just by having a copy of this product, you can sell it or present it pretty much any way you choose. You can

even turn it into a physical product by putting it onto a data CD or a DVD. This would make it a good way to sell on eBay. It's totally up to you! It's More Than A 90 Day Guarantee - It's A Promise Unlike most people, I'm not going to bury my guarantee and hope you forget about it. I'm putting it here - right out in front. And you're reading it now because you really can't miss it in this bright yellow box. That's the point. I'm this bold, because I know you will LOVE this product, and find it hugely valuable. But, if for any reason for up to 90 days (that's a whole three months) after purchasing this product you choose it's not for you, all you have to do is use the simple contact details at the bottom of this website for a full, prompt, and no quibbles refund. I'm telling you this so that you realize there really is absolutely no risk to you at all. Click here now to order. If you're interested in the resale rights and selling this product yourself, I'm sure you realize that the sooner you get a copy, the more you will profit. The longer you wait, the more your competition will pick off your customers. This video eBook is only \$5.00. Click the payment button at the right to download your copy. Sincerely, TRACY YATES & Louis Allport (Author) P.S. Interested in selling this product yourself? If you snooze, you will lose. This product is brand new. The sooner you get a copy and start marketing it yourself, the more money you can make. The longer you leave it, the more your competition will sell to YOUR customers. Even just one or two sales and you've made your tiny investment of \$5.00 back. After that - it's all profit for you. Click the PayPal payment button directly to the right now to order. -----
