Formerly known to the world as Jay-Tee, "Mr. Hartless Hustla", and a member of the group "Tha' Hartless Hustla's", 10-20 has been called out to minister the word of truth to the lost. Upon his calling, 10-20 left the worldly rap scene and offers to sign with a major rap label. He stopped handling the chrome steel because he thought God was against rap. However, the Lord made known to him by revelation that it was His will to warm up crowds and dead minds once again. 10-20 is recording with Tha' Losst Factor on the LP entitled Tha' Refinery. He hopes to bring his style and artistry to the holy hip-hop table and further edify the body of Christ. With the war cry of, "wARRIORs 4 cHRISt 4 Life", and "All 4 CHRIST", the word will be spread to the masses.
