Quirky folk a la Dr. Demento. 34 MP3 Songs FOLK: Alternative Folk, SPOKEN WORD: Comedy Details: When I started to come out with more songs being played on Dr Demento and more CDs me and the great LukeSki knew we were going to do another Best of. This one had to have all the other songs that were played on Dr Demento that wasn't on the First one. So check it out both the Back Street Boys(I Want To Kill Them), Vote for Me/Its a Joke,Let's Loiter,Let's Eat Cheese Mama,Eat Nutritiously are all on it. Unfortunately the only one of these 5 that got enough votes to be on The Funny 5 is Vote for Me/It's a Joke.
