This cd is so out there it's crazy. We don't just talk rap we live rap. If your looking for creativity this is it. We are the best new hip-hop group of this year and the century. We bring energy, spice, and originality to the game. No samples, no cru 20 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap Details: This group was formed in 2002 by the members of blacrein. We came up with the name in the studio. It was kind of crazy though, we were freestyling and someone said the name when they were freestyling. So we all agreed that the name was definetly cosha, so we went with it. I know your wondering who is we? My name is Trell the internet pusha. We also have on deck The kid Flaming, A-sharp, Shyne-Lui, Ashley Jones. Were about to take the industry by storm. We bring alot of energy and creativity to the game. Check us out soon, the album title is called The Armagedon. The beginning of September the album will be released and also merchandise will be available. Also my man A-sharp just came home and no he's not on our debut album. But you can believe that he will be on the next album called "Blac the f____up".
