You've gotta check this out.. Here's a fresh spin on Pop, Jazz, R&B, Soft Rock...pretty much everything.. Check it out.. 14 MP3 Songs POP: British Pop, URBAN/R&B: Rhythm Blues Details: Be it Rock, Pop, Gospel, Jazz or R&B, the multifaceted CHAPPELL has a rare musical talent that takes his listeners on a harmonious journey with his heartfelt ballads and signature progressions. Inspired by such artists as Sam Cooke, Stevie Wonder, The Doobie Brothers and Prince, Chappell began vocally and masterfully mimicking these styles as early as the age of four. Growing up in the rural South, Chappell often improvised by making harmonicas from empty 22 cartridge cases and drums from five gallon buckets. His early creative expressions have contributed to his original sound and songwriting technique. Chappell has had the exciting privilege of performing live on stage with professional artists such as gospel sensations Dorinda Clarke Cole and Rance Allen. He has also performed with Joe Thomas, Jive Records internationally known R&B singer/songwriter/producer known as Joe Currently, Chappell enjoys playing guitar, piano, and producing music with local artists. below are a couple of links that you will enjoy as well.. cdbaby.com/cd/jelaniajackson And cdbaby.com/cd/dapeeks
