Details: "Cheryl Aster, 25, is a young talented Vocalist who started her career at 18 entertaining the people of Yorkshire and Lincolnshire. She has appeared in TV, Festivals, Charity events, Pubs/ WMC's and some Theatre. Cheryl Aster is very accurate vocally, a perfectionist. LIVE on stage or in STUDIO, she alternates her vocals to suit many styles of songs from the 60's to chart songs you hear today. Cheryl has professional recording studio experience as an adult, working on original music. As a child she recorded a cover song at just 12 years old. It was "one for sorrow" for ITV 1's "Stars in Their Eyes". At the time, Cheryl was too young to appear on the show, but there after was never out of the recording studio, perfecting what was later to become her career. Cheryl made a tv appearance on channel 5's "NIGHT FEVER" on the panel of singers in 2002. In August 2002 Cheryl met her now husband of 1 year, who is in full support of her career and together they have a strong team. Rich, Cheryl's husband is her sound and lighting technician, PR support and also father to their 4 year old daughter. Cheryl and Rich for 6 years have had their trials and tribulations within their relationship, but are a team to admire and watch in how they deal with what life brings them. Rich, Cheryl's hubby was with Cheryl at the time she recorded her first album in London. They have stuck together and have respected one another's ambitions. Rich says " Cheryl is very career minded, but is also a great wife and mum, Cheryl has had that growing desire to succeed in her musical career and to see her finally getting somewhere with all her hard work, its very rewarding to see. Cheryl's sexy, sultry, sometimes moody personality makes her who she is and gives her that balance in all areas of her life.

Cheryl is definately a role model for other parents and I know that one of her hopes is to let other mums and dads see that once you have a family, your ambitions don't stop there, they grow. Its healthy to have ambition and live your dreams as much as possible. Ofcourse there's times in your relationship when its really hard work, but our relationship is strong and we work together 100 regardless of what life throws at us"
