

Mp3 Damumalik - Fragment

[DOWNLOAD HERE](#)

Somewhere between soul and neo-soul there is damumalik. This is electric soul music. 11 MP3 Songs URBAN/R&B: Soul, URBAN/R&B: Rhythm Blues Details: Pronounced da-MOO-ma-LEEK His music has been described as smooth and sexy and timeless and intense. damumaliks debut album Fragment, which he wrote and produced, is a blend of hypnotic rhythms, tasty guitar licks added by Khari Green of Sakrid and alluring vocal arrangements that seem to speak directly to the core. The name damumalik, which is part Swahili and part Arabic, is a combination of his first and middle names and is as unique as his music. You would be hard pressed to classify this US born artists work into any one genre of music but his undeniable appeal has led to him composing music as well as licensing tracks from Fragment for such television shows as the CWs Girlfriends and ESPNs Back in the Day. damumaliks music has also been featured on The Upper Room with Joe Kelley radio show and in Mavericks Sports ad campaign. Other credits include licensing and composing music for The Living Series and 5 Guys, 5 Questions as part of the SHONEXT original series PIRATENET. Credited as Damu Quarles, damumalik has also recorded tracks for one of hip-hops finest, Blackalicious, on Blazing Arrow and for Karl Densons Tiny Universe on The Bridge. damumalik went on to tour with Blackalicious providing background vocals for the group in Australia, Japan, France, Germany and England. While abroad, damumalik sang live on BBC Radio and performed on German TV. Back in North America his journey with Blackalicious included opening for Alicia Keys and touring with Jay-Z and N.E.R.D. damumalik resides in Southern California where he can be seen performing at such venues as The Temple Bar, B.B. Kings and Harvelles. He continues to produce new tracks and he is currently working on his second album.
