

Mp3 Dark Patrick - Fainne Gael An Lae

[DOWNLOAD HERE](#)

Dark Patrick is a Roots group playing on traditional instruments with songs in Irish, Ukrainian and English and a mixture of melodies from Ukraine, Ireland, Scotland and Breton. 11 MP3 Songs in this album (46:58) ! Related styles: WORLD: Eastern European, FOLK: Celtic Fusion Details: Dark Patrick performs music and songs from Ukrainian, Irish, Scottish and Breton traditions. Whilst having their own individual style, Dark Patrick seeks to maintain the integrity of music that is deeply rooted in tradition. All the members of the group are active in folklore expeditions which take them to villages in the Carpathian Mountains. Dark Patrick is a meeting of two cultures, unique and individual, yet alike in the uplifting nature of their melodies. A new school on the Folk Bandura combining aspects of the magically light and skillful touch of the Irish Bards with the dramatic soul of the Ukrainian Kobzars. The inexhaustible optimism of Irish, Scottish and Breton songs, that even in the deepest tragedy still maintain their childlike joy. The insanely hard driving rhythm of Carpathian melodies.
