Alternative rap. Beck meets Wu-Tang. Zappa meets Eminem. 7 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, POP: British Pop Details: As the world celebrated the bicentennial anniversary of Ludwig van Beethoven's birth, David Dragov was born. Like Beethoven, Dragov - in his early twenties - headed south to pursue his musical career. In David's case, heading south meant moving from his homeland, Canada, to the centre of musical culture - New York City. His knick-name, "The Mad Doctor" holds true. Dragov holds 3 degrees in Music Composition, including a Ph.D. from the University of Toronto. Earbuzzcalls David "A self-contained capsule of musical genius."
