Ambient synth and symphonic elements mingle in a minimal soundscape, matching the mood of the film.

18 MP3 Songs ELECTRONIC: Virtual Orchestra, CLASSICAL: Contemporary Details: "Elsa Letterseed"

is a wonderful independent film from Sacramento-based director/writer Sarah Kreutz. The film has already generated quite a positive buzz in the Sacramento community, and is now available for rent through Netflix, and for purchase through the film website: elsaletterseed.com David Shoemaker, a Sacramento-based film composer and musician, composed and performed the original score.

Comparable to the work of Philip Glass, Steve Reich and Brian Eno, the Elsa Letterseed Original Score is an exciting blend of ambient synth textures and traditional orchestral instruments. NOTE: THIS ALBUM IS NOT OUT OF STOCK--IT'S JUST NOT AVAILABLE FROM CDBABY. **YOU CAN ORDER COPIES OF THIS CD FROM THE ANIMA SOLIS MUSIC WEBSITE (WWW.ANIMASOLIS.COM/FILM), or...
