

## Mp3 Droog - Band In Limbo

[DOWNLOAD HERE](#)

A Pop Rocks combo mixed with spiked cola for that explosive aural aftertaste. 10 MP3 Songs POP: New Wave, ROCK: Modern Rock Details: Droog, the band, the myth? Ah, perhaps not yet. But with due time, due process, and a welcome ear, there may soon be time for perpetuating to the logical ends of perpetuation. Granted, minds may not be able to fathom simple ideas of myth-making, and of course, neither can simple people like me. However, unlike echinacea, which doesn't actually do anything, Droog will help to open up new possibilities of myth. Perhaps not a myth in themselves, but maybe a myth within everyone else? Or perhaps, just a good time. Perpetuate it yourself. Band In Limbo is the first full-length offering from Droog. Ten songs laced with equal parts angst and fun.
