Like the memory of friends and loved ones, these melodies lives within us, bringing passion and meaning into our daily lives. The inspiration for Classical Moonlight came from the love of playing this kind of music, and from a special collaboration between friends. The DuoLuna Quartet brings together DuoLuna (Rebecca Arons, cellist and Jill Olson, violinist), Peter McGuire (first violinist with the Minnesota Orchestra) and Tom Turner (principal violist with the Minnesota Orchestra). Our continuing work with engineer, Matthew Zimmerman and the superb atmosphere at Wild Sound, has made the recording of this album a great pleasure; and the production and editing assistance of John Snow proved indispensable. We hope you enjoy these classical gems and that listening to them will bring joy and peace into your life. --DuoLuna DuoLuna is cellist, Rebecca Arons and violinist, Jill Olson.
