If you love superstars like Eminem, 50 Cent, LL Cool J, or Jay-Z, you'll definitely be comparing Dyverse to some of music's greatest stars. 18 MP3 Songs POP: Today's Top 40, HIP HOP/RAP: Hip Hop Details: With a charismatic approach and brilliant nonchalant delivery, seasoned with "the mind of a scholar", "the swag of a hustler", "the game of a pimp" attitude, Dyverse lures us into the missing keys of hip-hop today: integrity, originality and creativity. Born and raised in Cleveland Ohio, this up and coming rap artist is definitely going to take hip-hop music by storm! He was introduced to hip-hop at the age of 13, where he would freestyle with the older guys on the street corners. He developed a versatile style from listening and studying rap legends from all parts of the world, where he later earned the name Dyverse (diverse). From areas of holding down the streets, to surfing the airwaves, without a doubt Dyverse has what it takes to become a rap icon for generations to come...With well over 200 recorded tracks, Dyverse is knee-deep in the mixtape game in VA's 7 cities. With over 20,000 cd's moved in the streets, it won't be long before he locks the game down.
