Elves Stories is a blend of mood music, new age and music to dream by with powerful melodies that project a positive energy after a hard day's work. 12 MP3 Songs EASY LISTENING: Mood Music, NEW AGE: Healing Details: GEORGES CHATELAIN is one of Frances best known sound engineers and composers. He worked with such well-known international artists as Paul Simon, John Denver, Ralph McTell, Lee Hazlewood, Johnny Hallyday, Nana Mouskouri, Mick Jones (Foreigner), The Pentangles, the Jordanaires (Elvis Presleys backup group), Joe Dassin, Franoise Hardy, Cano Caoli (Japanese artist), and appeared as an actor in Frances poet-film maker Jean Cocteaus Le Testament dOrphe. Georges also worked with celebrated French songwriter Jacques Revaux (of My Way fame) and Claude-Michel Schoenberg, composer of The Miserables and Miss Saigon. Georges wrote words and music to a song which has, over the past 40 years become an evergreen in the Netherlands, De Clown, with more than 30 cover versions including those by Ben Cramer, Franz Bauer, James Last, Ronnie, Pierre Kartner/Vader Abraham and Dario. His new album is a blend of mood music, new age and music to dream by. The powerful melodies chill, calm and project a positive energy after a hard days work. This is the kind of music you will love to share with friends or to synchronize with your films to inject emotion to your images. This CD is a perfect illustration of Georges Chatelains range of talent. Dont miss out on the opportunity to hear one of the best new approaches to atmosphere music. Jack Robinson
