I have a new album out titled "Coming At Cha". The kind of music that I do is Alternative R&B. The first song "Hit On Me" is about a man dancing at a club, and a woman trying to get his attention by putting the moves on him. The second song "I Want Ya" is about a man who is dating a woman that he cares for very much and wants to ask for her hand in marriage. My songs are mainstream, so when you listen to my music its like you are listening to songs that you would hear on any radio station. I hope that you enjoy my music as much as I enjoy creating it for you. God Bless Jaiye Bynoe People who are interested in Babyface Alicia Keys P. Diddy should consider this download.
