

Mp3 John Jordan - You Are The One

[DOWNLOAD HERE](#)

My songs are directly from my Higher Power Jesus Christ whereby I have some with myself playing rhythm guitar and singing and also several whereby I sing and play the piano. 10 MP3 Songs COUNTRY: Country Folk, JAZZ: Jazz Vocals Details: The music I create is from myself mixing several instruments and sometimes I double my vocals. My main instruments are acoustic guitar, bass fiddle and piano. I pray daily asking Jesus Christ for help especially with the warm loving caring soft flowing words that express my love to Him daily. Soon to be will be myself with my vocals and piano only and I will release it soon with 10 more songs. I sing note-to-note piano exactly voice+notes that is. I LOVE my OLD ANTIQUE Baby Grand Piano especially after I had every note tuned! Piano and String Bass should be called twins for them being the same tall height. God Bless y'all John Jordan Mr. Folkjazz
