

Mp3 John Tallon Jones - Escape

[DOWNLOAD HERE](#)

Incredible catchy and melodic songs with great hooks. John Tallon Jones has been a well kept secret on the international music scene for many years and spans the musical spectrum between pure pop, rock, new wave and mellow acoustic. 10 MP3 Songs POP: British Pop, EASY LISTENING: Soft Rock Details: Spanning Punk, New age, Brit Pop and Folk. The music of John Tallon Jones is now being rediscovered by a new generation of Music lovers via the Internet. It's difficult to describe the styles and influences at work here, but at the end of the day they are just a collection of great catchy songs with unforgettable hooks. Ex singer songwriter with cult mod/punk band RUN229, his music is like fine wine and has matured over the years into one of the UK's Best kept secrets. Other Musicians used in the making of this CD, include cult English Jazz guitarist Pete Downes, who did some very tasty lead and acoustic guitar work on a number of tracks.
