Are you tired of just starting to get into a beat and as soon as an mc opens their mouths they say absolutely nothing? Well then this multifaceted conceptual album is for you. Judi Jetsunn is humorous, futuristic, raw, witty and storytelling. 10 MP3 Songs HIP HOP/RAP: East Coast Details: The year is 1990 and Sibil (as Judi Jetsunn) is institutionalized somewhere in New Jersey. Shes been diagnosed as a maniacally depressed psychotic schizophrenic. After close evaluations by some of the nations top doctors and specialists, therapy and medical treatment..Sibil is released to the streets of Newark, N.J. even though shes permanently suffering from mental illness and could be potentially dangerous to both herself and others. Sibil then takes on the personality of Raa-D the whiplasha. Raa-D is a Headhunta who strictly represents the streets which she likes to refer to as the junglehood. Fatigued down in camouflage, she keeps it raw,real and rugged until 1999. Thugged out quickly transforms into futuristic when Raa-D is abducted by aliens. The aliens rename Raa-D and unveil her to the galaxy as Judi Jetsunn. This blonde bombshell is given a mission to take hip-hop into a new direction and up the standards. Judi Jetsunn accepts the mission after being threatened with self-destruction by aliens. When her mission is completed, the aliens keep their word and send Judi backonly they send her back too far! The year is 3000b.c. and Judi Jetsunn has now transformed into Rozetta Stone the key to communication. Rozetta Stones mission is to break barriers with her ancient Egyptian spiritual aura and knowledge of the future, the aliens finally get it right and send Rozetta Stone to the year 2005 where she is transformed into Jetti Stone. Jetti Stone is the past, present, and the future. The combination of Judi Jetsunn, Rozetta Stone, and herself. Shes living in the present and enjoying life. The clubs, the music, the love and just feeling over all sexy. After getting her party on for some time, Jetti Stone assumes the personality of the final

sibling..Sandy Brown the widow. Sandy Brown, the workin motha husslin rapper, is the well balanced combination of all of the above. The single mother is all about her and her daughter. Both mentally strong, and well educated, Sandy Brown represents stability. Now with all of this in mind it brings us to one major question.....which one of these completely different women represents the real personality? Thats for you to decide.
