An abrassive, yet ultra psychedelic rock opera. "Archaeological trip-hop". Headphones recommended. 6 MP3 Songs ELECTRONIC: Trip Hop, ROCK: Psychedelic Details: KALEID is the brainchild of Rod Richardson. Several artists, however, have later unknowingly come up with the same "clever" moniker. KALEID is pronounced "collide". In true form, Out of Mind Is Out of Sight is a classic rock opera of unabashed psychedelia exploring the very moment of creation, be it a song, a fetus or the universe. Although blaitant drug inuendo abounds, the lyrical message is rooted in Zen prose. The Cd is a seamless ride that tries, quite effectively, with its psycho-harmonics to actually make the listener hallucinate even if sober. Bose or AKG Headphones are recommeded for the ultimate experience. Some critics say KALEID is: "an overwhelming aural soundscape" CMJ "very interesting" Altrnative Press
