"Want to know what "catchy" means? It only took three spins of Keith Munslow's new Accidentally (On Purpose) to connect with our family. Our 10-year-old fell for "Fried Baloney" on the second go-round. The six-year-old was singing along with "Cardboard Box" on the first hit, and me, well, by the time I absorbed the fact that one of the accidents of the disc's title cut was a tyke's misdialing to a phone number in Spain (wait'll that bill comes in), I was hooked, too." ---Jim Macnie, Providence Phoenix Listen to the song samples and see for yourself!
