A mixture of contemporary Christian rock, funk and other popular styles of music by Larry R. Bond 10 MP3 Songs GOSPEL: Contemporary Gospel, URBAN/R&B: Contemporary urban Details: Like most musicians, I started out playing around town in and out of night clubs. I really didnt care all that much about making money, I just wanted to jam. For me, it was all about the music. My idols were Jimi, Stanley, Larry, James and Kurt. These guys laid it down thick for me. Thats not to say I copied their lifestyles, no, I simply admired their artistry. Music has always been a big part of my life. Its a big part of who I am as a person today. Twenty years ago I added a sixth name to that list of distinguished artist. I call him the One. The true player. Hes the master of masters. I caught a gig with him twenty years ago and Ive been gigging along side him every since. He changed my life. He saved my soul. He gave me a song that continuously plays in my heart and mind. His name is Jesus. This CD is dedicated to him. The One who was, the One who is and the One who is to come. So my friend, heres your opportunity to Check One.
