Though his influences include The Allman Brothers, The Band, The Beatles, Miles Davis, Bob Dylan, Steve Earle, Emmylou Harris, Otis Redding, Muddy Waters Hank Williams, he has developed a distinctive melodic style that encompasses many roots-based genres. Youll hear guitar, dobro, mandolin and some very noteworthy slide work in these compositions that ring of blues, bluegrass and folk genres. The writing is beautifully evocative; his songs are immediate, atmospheric and soulful. Youll feel youve been to the bayou and back when listening to these melodic meditations.
