

## Mp3 Mickey Raphael - Hand To Mouth

[DOWNLOAD HERE](#)

Harmonica instrumentals with a light jazz feel. 12 MP3 Songs NEW AGE: New Age, BLUES: Mellow Blues Details: Hand To Mouth is a timeless CD that takes Raphael stylistically in a different, softer musical direction. Originally released in 1987, the project features a variety of beautiful easy listening tracks ranging from the soothing sounds of "The Search" to the timeless classic "If I Only Had a Brain/Somewhere Over the Rainbow." The album features an incredible line-up of musicians, including producer and Neil Young band mate, Ben Keith on steel guitar, Pink Floyd sideman Scott Page, 70's organ great Lee Michaels on accordion, Willie Nelson on guitar, and the last live recording session with Harmonica icon, Paul Butterfield. Raphael has recorded through the years with a variety of artists, ranging from Elton John, U-2, Motley Crue, Vince Gill, Emmylou Harris, Kenny Wayne Shephard, Neil Young, and for 28 yrs, Willie Nelson.
