A ti que lo escuchas en tu casa, en el auto y en tu mente cuando ya se acab la cancin. A ti que ves lo hermoso del mundo y sueas con hacerlo un lugar de menos sufrimiento. A ti, que te atreves a romper los esquemas, que piensas por ti mismo y no permites que nadie defina tu realidad. Canto por ti y por todos. Porque en tus ojos est el llanto de una mujer de parto y de otra que pierde un hijo en cualquier pas. En tus ojos est la esperanza de un nio y el dolor de un soldado herido. La alegria de los enamorados y la preocupacin de un padre de familia. Las ilusiones del que suea, la angustia del deambulante, la compasin del que ayuda a alguien, la desesperacin de un drogadicto, la determinacin de un inmigrante, la fe del que crea su vida con el corazn. Son tus ojos tambin mos. Porque de alguna forma somos lo mismo y a todos nos hace falta una cancin. Cantemos. Mucho Amor! Mitra Shanti This album is dedicated to Love. To the creative energy that lives in every cell of the Universe, and even in the fabric of every thing. To you that listen to it in your house, your car and your mind when the song has already ended. To you that see the beauty of this world and dream of making it a place of less suffering. To you that dare to break the schemes. To you that think for yourself, and do not allow anyone to define your reality. I sing for you and for everyone. Because in your eyes is the cry of a woman who gives birth and of another who loses a son in any part of the world. In your eyes live the hope of a boy and the pain of a wounded soldier. The joy of lovers and the worries of the head of a family. The sight of a dreamer and the agony of the homeless, the compassion of one who helps another, the desperation

of a drug addict, the determination of an immigrant and the faith of those one who create their lives with their hearts. Your eyes are my own because in many ways we are indivisible and we could all use a good song. Sing with me. Always Love! Mitra Shanti
