Memorable original Christmas songs to add to your collection. Soft rock and pop mix with the nostalgia of old-world carols. 10 MP3 Songs POP: Folkly Pop, ROCK: Acoustic Details: 'A Christmas Dream' includes 6 original songs to add to your growing collection of seasonal music. Childhood memories, preparing for the quintessential holiday party, a winter walk in snow, the traditions of greeting cards and the Evergreen, and decorating oneself in the perfect red dress, all contribute to sustaining the holiday disposition. The 4 remaining cover tracks glorify simpler times from the 17th and early 21st centuries. Tracks 1, 2, 4, 5, 6, and 10 are produced by Steve Fulton of Audio Lab (audiolab.org) in Boise Idaho and Tracks 3, 7, and 9 are produced by Ian Townend of Off the Vine Studio (centaurcreative.com) in Boise Idaho. Nancy Kelly's music reflects a honed song-writing craft. Raised on Carole King and Neil Young, her style is similar to Carly Simon and Natalie Merchant. This cd is an eclectic mix of contemplative and mirthful celebration, savoring the enduring themes of Christmas time.
