Nathalie Coras recently released CD *Petite terre* takes us on a world folk journey, where subtle African and oriental flavors mingle with Celtic and Quebecois sonorities. 12 MP3 Songs WORLD: World Fusion, NEW AGE: Celtic New Age Details: Nathalie Cora After having been initiated to the Cora in 1986, Nathalie pursues her training in Africa with renowned masters as of 1993. This apprenticeship is made possible by the financial support of the Canada Council for the Arts and the Conseil des Arts et des Lettres du Qubec. Up until 2001, she specializes in African music repertoire in collaboration with singers such as Lilison (Guine Bissao) and Youssou Seck (Sngal), and as a member of the group Takadja (Juno prize, 1996). Not only is her mastery of the capricious instrument an outstanding achievement, her talent as a composer is undeniable. While well rooted in the African tradition of the instrument, her music takes us further, into a bordeless and dreamlike universe. Nathalie Cora is a remarkable artist that the public at large must discover! Michel Rivard.
