Music and sounds developed for meditation, contemplation, healing work and creativity. 5 MP3 Songs

NEW AGE: Meditation, NEW AGE: Healing Details: In November of 1997, Nick recieved a heart transplant at Shands Hospital in Gainesville, Florida. Nick's example has demonstrated to be one of a "thrivor" not just a survivor. Nick is a licensed Professional Practitioner with the United Centers for Spiritual Living. He has been and active member in the Oakbrook Life Enrichment Center, Ocala, Florida, serving on the Board of Trustees, performing weddings and spirtual counseling services. He has facilitated workshops on meditation as well, and has been featured in the Ocala Star Banner on several occasions for his strength, guidance and calm supportive nature. He has been a stage actor in a career which spans three decades and has recieved several awards during that time for his acting and singing abilities. This cd,"Submerge", was recorded in his 'Beloved Studio' as he calls it in collaboration with fellow Practitioner Helenea Dennis to provide general relaxation, good health and to bring more peace and calm into the listeners daily experience. "Our intent during this process was to produce a recording that could provide a blessing of comfort, love and peace. We honor your journey!" Please take a special note as you enjoy this cd to track #4. It has recieved acclaim by all who have listened to it. You are transported to hundreds of resonant voices in the MONASTERY. Go deep and enjoy...
