# Mp3 Nick George - Meditations

[DOWNLOAD HERE](#)

Take a stroll along a deserted beach..or in a deep forest..You are guided by a calm, soothing voice accompanied by some of the most popular New Thought musicians of today. "Nick is part of the miracle of healing...so cleansing." 6 MP3 Songs SPOKEN WORD: With Music, NEW AGE: Healing Details: Nick is a Licensed Professional Practitioner with the United Centers for Spiritual Living. He has been an active member in the Oakbrook Life Enrichment Center in Ocala, Florida serving on the Board of Trustees, performing wedding services and has a spiritual counseling service. He has facilitated workshops on meditation as well and has been featured in the Ocala Star Banner newspaper on several occasions for his strength, guidance and calm supportive nature. Nick has been a stage actor in a career which spans three decades and has recieved several awards during that time for his acting and singing abilities. The cd, "Meditations", was recorded in his 'Beloved Studio' as he calls it. Each of these meditations were spontaneously recorded at the Studio. Reaction to this compilation has been rewarding. "Nick George's recorded meditations and reading have already blessed many lives..Imagine, as his ministry expands, how many more will be touched in wonderful ways by these recordings of healing and empowerment." M. Hostetler....."He's part of the miracle of healing...so cleansing." B.Clemmons...."Relaxing..feeds my soul." N.Storch...."Nick's recordings are such a blessing to me. I play them in my morning meditation and visualization as well as in the evening for relaxation." L.Nicholl...."I warmly recommend this moving experience that guides, guards and directs a path of greatest and highest good. Nick George gently reminds the listener that every experience is a wonderful adventure...that we are all learning and growing on our life path. I earnestly endorse this fulfilling guide to creative and successful living, and greater spiritual unfoldment." L.Dollar
