Old tunes for new ears and new tunes in old traditions from Brittany, England, Ireland, Scotland, Scandinavia and the occasional what the hell? 10 MP3 Songs WORLD: World Traditions, FOLK: Celtic Fusion Details: Old tunes for new ears. New tunes in old traditions. Cool as jazz and twice as fun. Ten years as the best Euro-trad band in the US. Prodigious talent and a profound repertoire of eclectic tunes from Brittany, France, England, Ireland, Scotland, Scandinavia and the occasional what the hell? Poor Mans Fortune is three of the finest traditional musicians in the US playing music appealing to everywoman and everyman. Poor Mans Fortune plays new music... no fairy tales, just fiery tunes that happen to be a century or so older than your average hip-hop jam, arranged for modern ears and played on traditional instruments with verve and exuberance. Poor Mans Fortune plays old music... dance music, happy music, sad music. Real music thats been around awhile but still sets toes tapping. Poor Mans Fortune plays unique music... Traditional music without the cobwebs... modern music with tradition. Schottishes and congas, jigs with didgeridoos, gavottes darbukas, a haunting ballad with soaring bombardes. A two-step in four time and a six-step in seven. Bagpipes, flutes, fiddles, pennywhistles, accordions, dulcitaires, electric violins and a jazz bass... delicately combined to explore the endless possibilities of old and new music alike.
