Melodic Trip Hop, D&B and soul-infused with gospel vocals and live percussion. 11 MP3 Songs HIP HOP/RAP: Trip Hop, ELECTRONIC: Drum 'n Bass/Jungle Details: In about 1997, Jared Bryant left Salford University of Electronic Engineering, to develop professional, technological skills in Music Therapy. Project Blubook was born from the marriage of man and machine, originally more 'movement' based, the compositions developed into familiar 'arrangements'. Severn Valley Soul is an on-going project, that bore 'Edgeway' to the world, recruiting the finest percussionists, keyboard players, vocalists, etc. the 'Black Country' has to offer. With Lucy Gill supplying gospel-driven vocals, Dan Gauden providing slinky, soul-laden guitars, Colin Edmonds playing tight, rhythmic congas and Jared Bryant producing a wall of dreamy, organic keys, it's a clever combination of classic sounds in a modern format... *** for more music by these artists, check out: *** edgeway 7vs Please let us know what you think...email: jaj@7vs
