Full-on intricate Psy-Trance with flavors of Electro and Rock. 8 MP3 Songs in this album (63:55) ! Related styles: ELECTRONIC: Psy-Trance, ELECTRONIC: Trance People who are interested in Infected Mushroom Electric Universe Cosmosis should consider this download. Details: I've been creating Trance and electronic music here in Los Angeles since my early teens, and have many older releases on various labels internationally and here in the US. I enjoy, and am inspired by many types of electronic music so my style is difficult to categorize. I create progressive music that's never static and full of energy.
