Lord of the Rings themed CD featuring acoustic electric guitar, Irish bouzouki and a variety of ethnic instruments weaving intricate, haunting melodies will be enjoyed by guitar enthusiasts, fans of J.R.R Tolkien and Filkers in general. 14 MP3 Songs NEW AGE: Celtic New Age, WORLD: Celtic Details: Robert Fields has been a performing musician for 30 years. Most recent projects include soundtrack material presented to NewLine Cinema for The Lord of the Rings: The Return of the King, Elf, After the Sunset and Blade Trinity. He has performed at the Three Rivers Arts Festival, on Project Bundle-Up - a yearly Christmas benefit for disadvantaged kids, regionally in a number of acts at a variety of venues, and at Pittsburgh songwriter circles. Ever On, his Lord of the Rings themed (mostly) instrumental CD was birthed by his life-long love of J.R.R. Tolkien's work. Each piece was designed as a soundtrack for a scene in the narrative, an evocative impression of this literary masterpiece. Ever On brings out some of the best of his artistry: strong, concise arrangements, intricate, haunting melodies, soaring guitar and bouzouki leads, synthetic soundscapes. Complex rhythmic backdrops are performed on a plethora of world instruments by June Aukerman and Samuel E. Nelson. Ever On is a journey to the center of Middle Earth. Once you make the trip, you may not want to come home.
