[DOWNLOAD HERE](#)

Eclectic urban world music with conscious lyrical contributions towards remembering the true purpose of our creation. 20 MP3 Songs in this album (48:12) ! Related styles: WORLD: Reggae, REGGAE: Roots Reggae Details: Songwriter, Producer and Audio/RF Engineer Michael Sailsman (Simply Complex) is the owner of Allied Waves Inc. Publishing and Simply Complex Rhythms(TM) Music Productions. He writes and produces original songs for licensing and co-publishing. Michael wrote, performed, arranged and produced all tracks on this CD project in his recording studio. His vocal and instrumentation performances are simply a time and cost saving effort towards getting his creative ideas independently published and distributed. Michael was born on the island of Jamaica, raised in ST. Thomas U.S. Virgin Islands, lived his high school and college years in the NW suburbs of Illinois, and currently lives in Miami Florida. This is Michael's 3rd independent CD project and presents a unique and eclectic perspective to world music along with conscious lyrics that reflect his main objective; a contribution towards man's journey in remembering the creative power of the light force within us all. The other objective for this project is to establish co-publishing, distribution and or licensing agreements through independent and collaborative efforts. To interested music publishers, licensors, Film and TV producers - all songs in our catalog are exclusive owned and are available for negotiated licensing and co-publishing agreements. Also, imagine these songs re-recorded by world class musicians injecting their influences to the musical arrangement or consider the instrumental version of the tracks in your next Film and TV productions. We appreciate the opportunity to submit our productions for review.
