A New Sound That U Define. Sky Sound has a mixture of a Dramatic Movie Sound, mixed with upbeat rhythms, and experimental Hip Hop R&B with a little electronic sound but really, its a new sound that u define. 16 MP3 Songs ELECTRONIC: Experimental, HIP HOP/RAP: Hip Hop Details: Sky Sound is an entertainment company that is currently focused on music entertainment. One of our main focuses is to push the envelope of what the masses consider "normal" to something that is truly original and unique in its own right. To offer entertainment to all, not leaving anyone out... All races, all generations, all genres, all flavors, and all styles. We produce sign our own talent as well as developing talent for other companies. Sky a.k.a. Matthew Osborne founded Sky Sound back in 1998. He literally created a company out of nothing. He started off with a vision of creating a company that entertained on many levels such as artistically, spiritually, visually, creatively, inspirationally, lyrically, in literature, and in business while also educating in the process. He wanted to approach all these practices in a new, unique, and original way leaving the definition of these practices up to the consumer (our extended family). Hence the saying... "A new sound that u define" Sound being more than music, but the sound of everything we do to you whether it be in your CD player, DVD player, something you're reading, watching, etc. How does it sound to you... Since the inception of Sky Sound, Sky has produced over 1,000 songs; published his first book; traveled the country form coast to coast, and outside the states; Created long lasting business relationships; inspired and helped many people; produced many live shows; built companies; written movie scripts; ventured into politics; and made a name for himself. Look up and don't blink, you just might miss something On this release wELCOME tO SKY SOUND, we hope to introduce you to our style of music or what we like to say, our style of sound. Sky has worked with a lot of talented artist and

he has developed them as well as grown with them to create new levels of creative, artistic, entertainment. You'll get to hear entertainment artist's Sky, SB, C.O., Focus Keys. The album is a mixture of songs, sounds, vibe sessions, and fun. So the best advice we can give you is, listen to the album purchase it, and let it be a new sound that u define.
