With a clearly impressive vocal range combined with her comprehensive song writing skills and unique style; its easy to see why, at just 18 years old Sophie Jones has a talent her peers admire. Sophie was encouraged and supported by a number of established artists and produces from the worlds of UK RnB and Hip Hop to create this album. This faith in Sophie's abilities has been matched by her work ethic and creative talent. Although Sophie has written for years, she started again from scratch, with no pre-conceptions of how things should be, she just wrote and composed from the heart. What she created is filled with her passion, her pain and her truth. Show U is a compilation that mixes RnB with Soul, Hip Hop and Dance. Successfully delivering strong individual tracks whilst giving us just a hint of what this talented young woman is capable of. We hope you have the time to sit back and let Sophie Show U how its done.

***** As a bonus of the CD also contains the video to "Faded Away" and a few bonus stills.
