[DOWNLOAD HERE](#)

Songs for young children and the adults who sing with them. Easy tunes on many topics important to preschool and kindergarten classrooms. Guitar, vocals and a children's chorus. 34 MP3 Songs

KIDS/FAMILY: Kid Friendly, FOLK: Gentle Details: Tom Pease and Stuart Stotts have been singing with children and families for well over 20 years each. They both delight in the connections, the learning, and the magic that happens when people share music, whether in the concert hall or on the kindergarten rug. Their most recent recording is Celebrate, which is quickly becoming a classic for anyone who sings with young children. Stuart and Tom most often work separately, but this recording captures them at their together best. Each of them do over 200 concerts each year, and their recordings have won awards and accolades from sources around the country.
