These three friends soon found that "MEFC" was brimming with musical talent. They were soon joined by vocalists, Bebe Nickerson, Nena Mojarro and Jarumy Parra who now comprise "TCT". This blending of R&B, Pop and Latin Flavors give TCT a unique sound with dynamic and innovative harmonies. All of the group's members are involved in one or more of the various ministries available at MEFC and see music as just one aspect of their individual ministry to the body of Christ.
