

Mp3 The Well Wishers - How I Won The War

[DOWNLOAD HERE](#)

Drawing equal influence from 80's post-punk and classic power pop, this album offers a poignant, yet decidedly pessimistic take on the metaphors of love and war - all wrapped in a dense, fervently melodic package. 11 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: "How I Won The War", the 3rd full-length release from San Francisco's The Well Wishers, marks a notable artistic step forward and finds the band breaking through some of the pure power pop barriers of their first two records. Drawing equal influence from 80's post-punk and classic power pop, the album offers a poignant, yet decidedly pessimistic take on the metaphors of love and war - all wrapped in a dense, fervently melodic package. Tracks like "Grey Skies Black" and "Broken Glass" burst to life with pulsating guitar riffs, swirling effects, and pounding drums...while more the melody-laden hooks of "I'm In Love" and "Seashells" recall the Well Wishers most know and love. Recording most of the album tracks at his home studio allowed WW frontman and brainchild Jeff Shelton the freedom and flexibility to experiment, embellish, explore, and re-take after re-take until everything was completely perfect. Contributions from drummer Nick Laquintano and collaboration with San Francisco filmmaker/musician Chris Brown on the track After Dark add additional flavor and passion to Sheltons primarily solo approach.
