FOLK: Power-folk, COUNTRY: Country Rock Details: Welcome to the Music of Tony Casagrande For many years, the music, written and composed by Tony, has warmed the hearts of thousands. Filled with personal insights and warm sentiment, Tony's easy listening sound, stimulates the innermost feelings of God's true relationship. Smooth cord changes and unmistakable acoustic sound, enlightens those who have the need to be closer to the Spirit of praise and the vitalism of repentance. Tony's personal walk with the Holy Spirit has proven the richness of the sound he brings to performance. In the harmony of relationship, his easy, though direct, message of the Blood of Jesus, abounds in each line he sets to open understanding. In the days of what seems to be the loud boisterous overtones of fastpaced religious attempts; it's good to hear there's someone out there with words that can still be heard and understood clearly; straight to the heart. The Words of Tony Casagrande Singing unto the Lord is what it's all about. Greatly recognized about this everyday man of God; "He sings to the Lord and let's others listen". That's Tony. That's Music. From his family's doorstep: Tony and his wife Cathy reside in the hills of Northwestern Pennsylvania. In the surroundings of an early american setting, Tony's laid-back personality reflects the lifestyle he and Cath' have chosen. The hillside splendor and picturesque setting of their home and studio-workplace, give great inspiration to new songs and teachings each day. Experience this gentle performer for yourself soon. In concert; he's a blessing to any setting. On recorded sound; he's an inspiration to your heart. ----- For more information about Tony Casagrande's music, bookings, or concert updates; please call, write, e-mail, or refer to this web-site.
