True Country Music with an edge that mixes the styles of old fashion country and modern country. 10 MP3 Songs in this album (34:35) ! Related styles: COUNTRY: Outlaw Country, COUNTRY: Country Boogie People who are interested in Merle Haggard David Allan Coe Toby Keith should consider this download. Details: I have played guitar and wrote songs for 30 years. It is my passion. I will hopefully be able to make music until the day I die. I have always lived my life way out on the edge doing everything to the extreme. I write the same way. I write so my fans can relate to my music. I write about life and I pull no punches in expressing this in my music. I have tried to pattern my music after what has worked in the past, straight old fashion country music. My music idols are David Allen Coe, Willie Nelson, and Merle Haggard. They wrote and lived their music as I do. I dont know any other way. Hope you enjoy the Music.
