26 ways to skyrocket signups & sales conversions ALMOST OVERNIGHT "You're About to Discover 28 Power Packed Secrets to Convert Visitors Into Buyers...and They Work Like Magic!" you have a website that sells anything, or youre thinking of launching one, this is probably the most profitable message youll ever read. There are millions of websites on the Internet trying to sell everything from simple products to lifestyle hopes and dreams, but only a very FEW of these are actually profitable "winners" while the majority are lucky to make any sales and are dead on arrival. So what is it that separates the winners from the losers? For your website to generate sales and profits, it needs to do just two things. It must draw traffic to the site and most importantly it must convert visitors into buyers. Research has shown that the average visit to a website is less than 30 seconds. Bottom line, you either hook your client in those 30 seconds or they click off. Getting traffic is simple enough--you can even just buy it--IF your site generates enough sales to make it profitable to do that. Converting traffic into sales is the real challenge--and the single factor that separates the BIG moneymakers from marketers who struggle. So HOW do you maximize sales conversions and skyrocket your profits? We've studied some of the most profitable

websites and spoken with marketers who see "Notification of Payment Received" over and over everyday in their inboxes, and there are 28 stealth tactics they use to achieve mind blowing results and HUGE profits.
