Ipods 101 If youre going to get the most from your Ipod... Then this may be the most important letter youll ever read! Youre About To Learn How To Get The Most From Your Ipod, No Matter How Much Experience you have with them! It doesnt matter if youve never owned a ipod in your life, This guide will tell you everything you need to know, without spending too much money! Are you planning on owning a ipod in the near future? If so, pay attention! Theres finally a new, breakthrough book created just for people like you! And, if you really want to have the most popular ipod that will bring a smile to your face, then this book is definitely for YOU! I myself have owned a ipod for over a year, but it wasnt easy when I first bought it! I mean, information on this is pretty hard to come across. Especially the kind of information I wanted to know more about. To be quite honest with you, I got tired of looking and searching all over the place, so I decided to create the definitive book on how to get the most from you ipod! This Isnt Like Any Other General or Generic Book On Ipods You Can Find In Any Store.. ...On the internet, or even at your local library for that matter! This book covers everything there is to know about mastering the art of ipod customization . In fact, some people have called it the Ipods Manual ! Its like having your very own Ipod

expert that you can reference and ask questions anytime that you need to! You'll uncover a wide array of tips including interesting facts that made them what they are today!
