Let Sleeping Demons Lie by Maree Anderson Kitten's been stripped of her memories-and her clothes!-and dumped in a savage wilderness. She believes that she is human and she has no idea that nonhumans even exist-which is just as well, considering that she's got a phobic fear of Lycans and the man who finds her is a Lion shape shifter! Brennan is a Prime, that most alpha of alphas, and even though he suspects that Kitten is not what she appears to be, he lays claim to her body, and her heart. When they're ambushed by sadistic Hyenas and Brennan is severely injured, Kitten's only chance of saving them both is to reclaim her Demonic heritage-even if it means revealing her true self and losing Brennan's love. To My Reader: While writing Even Demons Get The Blues, the first novella in my Demons series, it wasn't easy convincing a certain stropky Felinoid Demon to back off and let the actual hero and heroine take center stage. I knew that I would eventually have to give her her own story. And I knew that she needed a very special hero, too-a man who wasn't going to take any bullshit from her, a man who would ultimately teach her that what she thinks is love, is merely a pale imitation of the real thing. She takes a heckuva lot of convincing, though, and I hope that you will enjoy her struggle as she

finds her happy ever after with her shapeshifting Lion prince. Kitty vs Lion.... Watch the fur fly in Let Sleeping Demons Lie! About the Author: The great thing about being an author? Having a valid excuse to read voraciously-all in the name of research, of course ;). When Maree Anderson isn't "researching", she's dreaming up new ways to put her heroes and heroines through hell before giving them their Happy Ever After-she's a complete sucker for a happy ending, BTW. Maree lives in Auckland, New Zealand, with her reallife hero, a man who is rapt to bits and beyond that she's finally achieved her dream of becoming an author. He's also a website designer extraordinaire, and even better, he works for hugs and kisses! Feel free to visit Maree at mareeandersonand drop her a line. She'd love to hear from you!Author: Anderson, Maree Publisher: RED SAGE PUBLISHING, INC.
