Great lyrics and roots music from an award winning singer songwriter from Canada. Words you can sink your teeth into. 12 MP3 Songs FOLK: Folk Pop, FOLK: Modern Folk Details: Anyone who has heard Ben Sures perform will tell you that big talent comes in small packages. A veteran of the contemporary folk and roots music scene, Ben has long fought for the recognition he deserves in the Canadian music industry. His 2005 award in the prestigious John Lennon Songwriting Competition, for his song Any Precious Girl, is evidence of his genius, his originality, and his tenacious ability to flawlessly pick his way to the top of the guitar heap while telling an absorbing story in words that only the craftiest of lyricists could pen. Raised in Western Canada, Ben began playing guitar in high school, and has been writing and performing ever since, touring festivals, small venues and living rooms across the nation. Ben performs live with his talented bass player/back up vocalist, Shantel Koenig, sometimes under the alias Supergroup. Often featured on CBC, Bens performances are energetic and humourous, and whatever the venue, he manages to connect with his audiences with a seldom duplicated sense of intimacy that draws the listener inextricably into the folds of his melodic story telling. While Ben's voice has been compared to Paul Simon, and his songwriting has been compared to Sarah Harmer and Greg Brown, his originality has truly made him a brilliant and outstanding gem in the diamond mine of the Canadian music scene. Ben has four cds available through Spirit River Distribution, and on his website at bensures. Now a well respected musician within the industry, he also plays on several compilation albums. If you have the opportunity to experience this unique performer, it should not be overlooked. And, if youre unable to get out and see him, youll be astounded to know that he also makes house calls. If you ask Ben to play in your living room, he will deliver an unforgettable and intimate evening of story and song - and you dont even have to change out of your pyjamas.
