Details: I am a Mississippi musician that developed a style over the years playing gigs as a solo performer. Over 40 years ago, Ed Tree, who produced this CD, taught me my first song on a guitar. We formed a band and from there the seeds were planted. We took very different paths along the way, but I am grateful his was a musical one. With Eds friendship and expertise, this CD was made consisting of seven original songs written by me. I have been blessed with the opportunity to work with exceptional musicians such as, Ed Tree, JayDee Maness, Skip Edwards, Gary Ferguson, and Randy Crenshaw. Enjoy!
