A gansta-comedy-geeky music styling for people who don't even like hip hop. 16 MP3 Songs HIP HOP/RAP: White-Boy Rap, HIP HOP/RAP: Alternative Hip Hop Details: Crap was conceived in 2003 with the idea "if slipknot can have 9 members, imagine if we could have a rap group with 20 people with no talent that would be ten times better!" After two years, two members finally emerged to take Crap to the next level. Actually rapping. Shit and Korn are the two with the drive and finally, Crap is here... Shit and Korn, named to fit their involvement in a group that is so much Crap. They got together with studio master, Dr. Espling and started working on their Freshmen album offering; "It doesn't Matter". The idea that "It Doesn't Matter" represents Crap's experimental work in their first professional music experience. They're up to try anything and see what sticks to the wall.
