Witty, conscious lyrics set to a variety of melodic and rhythmic styles. 14 MP3 Songs FOLK: Modern Folk, FOLK: Gentle Details: A native of the San Francisco Bay Area, Danny Barca has been writing songs since he got his first guitar at the age of 14. His musical meanderings have taken him through many styles- Folk, Jazz, Rock, Latin, Classical, Broadway, etc. as a singer, instrumentalist, and composer. He recently made the decision to leave the dance music behind and focus on writing and performing all original songs. This is his true passion, and the songs come from this wide background of styles. These songs speak of the beauty of the human spirit, the sometimes humorous twists and turns of life, and our eternal connection to the divine. As many of his songs speak of Spiritual themes, he has been performing a lot at New Thought churches, though he often performs at folk festivals and other more secular venues. He has produced 2 CDs; "No Separation" in 2004, and "A Certain Light" in 2006. "The first time I heard Danny Barca perform, I realized I was observing someone who embodies both a musical gift and a spiritual heart. In my estimation, Danny is a blessing to us all. In a most unpretentious way, he inspires, enlightens, and entertains. I particularly enjoy his often amusing way of looking at life. So, even for those who don't consider themselves particularly spiritual, his work is uplifting. In short, he will make you laugh, cry, and will touch your heart. I wholeheartedly encourage anyone to give yourself the gift of his message and music." - Dr. Candice Becket, President, Religious Science International
