Details: EARLGASM is the best and newest installment from E.A.R.L. This album has a very live sound. Great choruses and breakdowns. The music is solid. Ranging from songs about Porn stars (Brandy Taylore) to drinking with your friends (Old dusty Shelf). What truly sets this album apart from the previous ones is that this one has no weaknesses. All of the tracks are catchy. The album is very easy to listen to. They explore many different styles and make them their own. Some of the styles you'll will hear are: Rock, Punk, Ska, Hip-hop, pop and even some country and classic rock sounds. Nothing is sacred! This album is as refined as you can get! (considering all of them are drunken heathens) Look out for "Girl you want it". It is one of the hottest tracks on the album.
