Related styles: KIDS/FAMILY: Educational, HIP-HOP/RAP: Rap Details: Introducing The John Reese Blast Avenue Time Tables CD and DVD Music Based Learning System. CD A: From the 1 through 12 time tables; Lead Vocals, Background vocals, and musical tracks. CD B: From the 1 through 12 time tables; Background vocals, and musical tracks. DVD from the 1 through 6 time Tables. The John Reese Music Learning System is intended to energize, mobilize and inspire child to embrace an alternative music learning system that will have a positive impact on children. Many children can not relate to traditional method of learning, thats where The John Reese Music Learning System comes in. Rap and hip-hop music is now the universal language of today's youth. They listen to Radio, CDs and watch TV, most of them can quote every word in a rap song. First the beat gets them. Second, they want to dance, all ages even the ones the can dance, start learning the words and last they begin to listen and learn the words.
